Einbauleuchte ARGENT 80mm weiss

Our 9W **recessed downlight Argent** is a swiveling downlight with IP44 protection. Its place of use is outdoors, where it can set the scene for any illuminated object with its excellent color rendering of RA=93. The ARGENT can be tilted up to 30° and has a visually appealing 36° lens. Power is supplied via an external driver which is included. Especially important in the object: we offer a 3-year warranty and vouch for the high-quality workmanship and durability. If you would like to know with which dimmers this product is compatible, please follow the link to the test results from our own workshop.
