**Einbauleuchte ARGENT FLAT 82mm weiss**

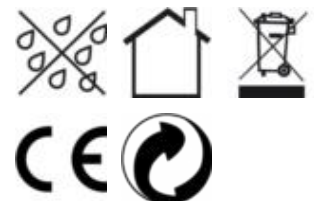

Dimmable: yes

Our 7W **recessed downlight Argent Flat** is a swiveling downlight with compact dimensions. Its place of use is indoors in ceilings with shallow installation depth, where it can set the scene for any illuminated object with its excellent color rendering of RA=90. The ARGENT can be tilted up to 30° and has a visually appealing 36° lens. The downlight is the ideal companion for any refurbishment. The power is supplied via an external driver which is included in the delivery. Especially important in the object: we offer a 3-year warranty and vouch for the high-quality workmanship and durability. If you would like to know with which dimmers this product is compatible, please follow the link to the test results from our own workshop.
